Managing difficult behaviours in children and siblings

Who should attend

Adoptive parents and other permanent carers

Trainer

Carol Platteuw is Director of Play Therapy Services Ltd, an independent organisation that provides therapeutic services to children and their families. She has specialised in working with looked after and adopted children for over 20 years.

Carol also teaches carers, parents and social workers how to listen effectively to children so they feel heard and can begin to make sense of past experiences.

This day will help you to:

- explore triggers that bring difficult behaviours to the fore
- consider child development, how children learn behaviours and how we can help them unlearn certain behaviours
- consider strategies to help children regulate themselves to feel safe enough to tell you what makes them frightened
