

## Training event for adoptive parents and other permanent carers, social workers and other professionals working in adoption and permanency

### Helping your clingy, irritable, angry, 'tantruming' child

#### Who should attend

Adoptive parents and other permanent carers;

Social workers and other professionals working in adoption and permanency

#### Trainer

**Annie Kiermaier**, LCSW, RN, clinical social worker in private practice, is a certified Theraplay therapist and trainer. She holds an MSW and AD in Nursing from the University of Maine, and a BA from Earlham College. Annie authored Chapter 7 of the third edition of the Theraplay book, 'Theraplay for Children with Regulation Disorders'. Annie has a lifelong passion for helping parents and their children have healthy, joyful attachment relationships. She provides home and office-based Theraplay and parent consultations to families, many of whom are involved in the child welfare system.

Learn some relationship-based approaches to help maintain a healthy level of functioning when your child is anxious because of transitions, emotional overloads or everyday life.
