

Training event for social workers and other professionals working in adoption and permanency

PAC-UK

TOGETHER WITH **AAY**
THE AGENCY FOR ADOPTION & PERMANENCY SUPPORT

Working with attachment issues in adults

Who should attend

Social workers and other professionals working in adoption and permanency.

Trainer

Franca Brenninkmeyer studied in Belgium and the UK. She has 20 years of professional adoption experience and has worked at PAC since 1996. Franca was instrumental in developing the Child and Family Service at PAC. She regularly presents on adoption and attachment related topics.

Franca Brenninkmeyer, Head of PAC's Child and Family Service, will explore how professionals can become more aware of their own attachment pattern and attune to the attachment patterns of their clients, especially prospective adoptive parents and permanent placement carers. An overview of assessment tools for adult attachment styles will be given, and some will be discussed in more detail. Therapeutic intervention styles that help clients become more aware of their own attachment patterns and their effects on relationships with partners and children will also be explored.
