Why Can't My Child Behave? – Empathic behaviour management that works

Who should attend

Adoptive parents and other permanent carers

Social workers and other professionals working in adoption and permanency

Trainer

Dr. Amber Elliott (Chartered Clinical Psychologist), is the lead clinician and Director of The Child Psychology Service CIC. and creator of the web resource, Parenting Advice for Foster Carers and Adopters (www.PAFCA.co.uk). Her book 'Why Can't My Child Behave: Empathic Parenting Strategies that Work for Fostered and Adopted Families' was recently published by Jessica Kingsley Publishers. impact of trauma on their daily lives.

A training day for carers and professionals to think about Empathic Behaviour Management and to consider the difficulties of reward-punishment thinking for developmentally traumatised children.

We will concentrate on the importance of adult emotions when dealing with trauma.

We will go on to consider factors which effect empathic behaviour management; Shame, Affect Regulation, Brain Development.

Finally we will then spend some time applying the theory to real life and discussing practical EBM strategies.

Date

Monday
5 October 2015
10.00am – 4.30pm
Lunch will be provided

Venue

The Max Rayne Auditorium,
