

Friends of PAC-UK

The recently formed group of Friends of the charity is hoping to encourage more people to join them in supporting the valuable work of the organisation.

Would you be interested in promoting the charity through fundraising and social events?

If you or someone you know has a particular interest in the subject of adoption or permanence and would like to help, as well as enjoy some new activities, please join us by contacting friends@pac-uk.org

PAC-UK is the largest **independent** adoption support agency in the country. It exists to improve the lives of families and individuals affected by adoption and other forms of permanence by providing access to a range of individually tailored services and appropriate support depending on need.
