The Adoption Friendly Schools Charter

About PAC-UK

We are the largest independent adoption and permanence support agency in England. We supported more than 5,000 people last year!

Our vision is that children, young people and adults affected by adoption and permanence arrangements live their lives to the full.

As an adoption friendly school, we work hard to...

- (1) Identify children's needs
- (2) Prioritize relationships
- (3) Respond empathically to behaviour
- (4) Work in true partnership with parents
- (5) Share information sensitively and effectively
- (6) Reflect and protect adoptive families
- (7) Support our staff
- (8) Use our resources wisely

We don't always get it right, so we try again.
