Commissioned Training

PAC-UK is able to send trainers throughout the UK to provide training. The [Commisioned Training](#) page on our website lists topics from our main programme on which training can be delivered in a location of your choice. In addition, PAC-UK is able to offer bespoke training locally. PAC-UK's trainers are often able to travel to present workshops and seminars locally. In this way, some of the courses from PAC-UK's annual training programme can be replicated in your area. **All training can also be delivered online if preferable.** Contact our Training Administrator, Birte for more information.
